Conservancy's Response to City's Decision on 2009 Festivals

ATLANTA (October 3, 2008) – Piedmont Park Conservancy was pleased to be a part of a process where everyone was heard. We would like to have our own event in Piedmont Park but the decision has been made and we will continue to work with the City of Atlanta Office of Parks, Recreation & Cultural Affairs in accommodating events of all sizes in the beautiful green space. We are also appreciative of the cooperation shown by Centennial Olympic Park and our Screen on the Green sponsor, Peachtree TV.

There are many organizations, green spaces and waterways in Georgia that are looking forward to the end of the drought and the lifting of drought restrictions, including Piedmont Park Conservancy.
